

Refactoring d'un code d'analyse de mesures expérimental en Python

Louis PETITCOLAS
Yonathan FRAENCKEL
Steven CORBIN

Planification du Projet

Visite du laboratoire sur le campus de Cronenbourg

Moiré, qu'est-ce que c'est ?

A background image showing a misty, foggy landscape with a calm body of water reflecting the surrounding mountains and trees. The scene is serene and atmospheric, with soft light filtering through the fog.

Regardons maintenant la partie informatique ...
